Please note the following:

- A full week is considered 4 or 5 days. Daily rates are calculated as $\frac{1}{4}$ of the weekly rate.
- 2 or 3 days per week are offered based on availability for children ages 2 and up. Full time children will be given priority, however.
- There is a registration fee of \$50.00 per child or \$90.00 per family.
- There is a school year activity/supply fee of \$50.00 per child, age 2 1/2 and up, due each September and is prorated for families starting after September. This covers the child assessment fee, field trips, entrance fees, bus/transportation costs, and extra supplies for special projects. Summer activity fees will be assessed each year based on the amount of trips each classroom is taking.
- There is a child assessment fee of \$20.00 that is due upon enrollment and every September for children younger than age 2 1/2.
- Payments are to be made weekly, on the first day of attendance (usually Monday). If you would like to pay bi-weekly or monthly, please talk to the Director or Administrator.
- A \$30.00 per week late payment fee will be applied to your account if your weekly tuition payment is not received by Tuesday.
- A sibling discount of 5% is taken off the total tuition for all families with 2 or more children.
- Each school year (September – September), all families are entitled to receive vacation days equal to one week's scheduled days of attendance. These are days that you do not pay tuition for when your child is not in attendance.
- Please check your Parent Handbook for holidays that we are closed, but we DO charge the parents for.
- A two-week written notice is required before withdrawing your child from Kids Depot.
